

Notre Dame de Lourdes School

1960 **60** 2020
YEARS

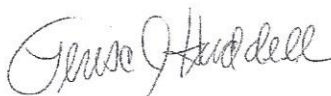

October 2020

On September 9, 2020, Notre Dame de Lourdes school once again opened its doors to students, some with masks and shields, others virtually, eager to learn and serve. Even more significant is the fact that this was the 60th year the school welcomed students on its Swarthmore campus. Notre Dame school has served as a home for many children, families, faculty and staff, bringing the building to life and making it a vibrant and caring community.

There are always challenges for catholic schools to remain operational, yet this year is unlike any other. As a result of the pandemic, annual fundraisers including carnivals, galas, and basket nights have been postponed or canceled resulting in a huge hit to the school's budget. And while we are trying to be creative with new ways to engage our community to raise funds, we still find the need to simply ask for support.

I am reaching out today because I am hoping, like me, you believe in the quality education that a catholic school offers its students. I am hoping you recognize our community is a better place when we all come together for a safe and strong school. Please consider donating to the school as a way to celebrate our 60th Anniversary. Your contribution to our community and school has been a blessing and we look forward to what the future holds!

With Gratitude,

Teresa Huddell, Class of '67
Notre Dame de Lourdes School Development Committee

*Suggested Sponsorship Levels

Anniversary Gift / \$ 60.00

Family Sponsor / \$100.00

Blue & Gold Sponsor / \$500.00
